W I T N E S S E T H:

WHEREAS, in order to refinance the costs of the acquisition, construction, installation, improvement and equipping of certain schools and other capital facilities (the “Projects”), the District caused to be executed and delivered the San Jacinto Unified School District Certificates of Participation (2010 Refunding) (the “Prior Certificates”);

WHEREAS, the Prior Certificates were executed and delivered pursuant to the Trust Agreement, dated as of February 1, 2010 (the “Prior Trust Agreement”), by and among U.S. Bank National Association, as trustee, the Corporation and the District;

WHEREAS, the Prior Certificates evidence direct, fractional undivided interests of the owners thereof in certain base rental payments to be made by the District pursuant to the Lease Agreement, dated as of February 1, 2010 (the “Prior Lease Agreement”), by and between the District and the Corporation;

WHEREAS, in order to achieve certain savings, the District desires to refinance the Projects by exercising its option to prepay the base rental payments payable pursuant to the Prior Lease Agreement in order to cause the Prior Certificates to be prepaid;

WHEREAS, in order to finance the prepayment of the Prior Certificates, the District will lease certain real property owned by the District and the improvements thereto (the “Property”) to the Corporation pursuant to a Ground Lease, dated as of the date hereof (the “Ground Lease”), and the District will sublease the Property back from the Corporation pursuant to a Lease Agreement, dated as of the date hereof (the “Lease Agreement”);

WHEREAS, the District and the Corporation have determined that it would be in the best interests of the District and the Corporation to provide a portion of the funds necessary to prepay the Prior Certificates through the sale and delivery, pursuant to this Trust Agreement, of the San Jacinto Unified School District Certificates of Participation (2020 Refunding) (the “Certificates”) evidencing direct, fractional undivided interests in the base rental payments to be made by the District under the Lease Agreement;

WHEREAS, all rights to receive such base rental payments have been assigned without recourse by the Corporation to the Trustee pursuant to an Assignment Agreement, dated as of the date hereof;

WHEREAS, in consideration of such assignment and the execution of this Trust Agreement, the Trustee has agreed to execute and deliver the Certificates, each evidencing a direct, fractional undivided interest in such base rental payments; and

WHEREAS, all acts, conditions and things required by law to exist, to have happened and to have been performed precedent to and in connection with the execution and entering into of this Trust Agreement do exist, have happened and have been performed in regular and due time, form and manner as required by law, and the parties hereto are now duly authorized to execute and enter into this Trust Agreement;

NOW, THEREFORE, in consideration of the premises and of the mutual agreements and covenants contained herein and for other valuable consideration, the receipt of which is hereby acknowledged, the parties hereto do hereby agree as follows:

ARTICLE II

TERMS AND CONDITIONS OF CERTIFICATES

Section 2.01. Preparation and Delivery of Certificates. The Trustee is hereby authorized and directed to prepare the Certificates and, upon the Written Request of the District, shall execute and deliver the Certificates in the aggregate amount of \$_____ evidencing the aggregate principal components of the Base Rental Payments and each evidencing a direct, fractional undivided interest in the Base Rental Payments. The Certificates shall be numbered, with or without prefixes, as directed by the Trustee. The Trustee is hereby authorized to deliver the Certificates to the Purchaser pursuant to the Certificate Purchase Agreement upon receipt of a Written Request of the District and upon receipt of the proceeds of sale thereof.

Section 2.02. Denomination, Medium and Dating of Certificates. The Certificates shall be designated “San Jacinto Unified School District Certificates of Participation (2020 Refunding),” shall be prepared in the form of fully registered Certificates, without coupons, in Authorized Denominations and shall be payable in lawful money of the United States of America. The Certificates shall be dated the Delivery Date. Each Certificate shall evidence interest from the Interest Payment Date next preceding its date of execution to which interest has been paid in full, unless such date of execution shall be after a Record Date and on or prior to the following Interest Payment Date, in which case such Certificate shall evidence interest from such Interest Payment Date, or unless such date of execution shall be on or prior to August 15, 2020, in which case such Certificate shall represent interest from the Delivery Date. Notwithstanding the foregoing, if, as shown by the records of the Trustee, interest evidenced by the Certificates shall be in default, each Certificate shall evidence interest from the last Interest Payment Date to which such interest has been paid in full or duly provided for.

Section 2.03. Payment Dates of Certificates; Interest Computation. (a) *Method and Place of Payment.* The principal evidenced by the Certificates shall become due and payable, subject to prior prepayment, on September 1 of the years, in the amounts, and shall accrue interest at the rates per annum set forth below, computed on the basis of a 360-day year consisting of twelve 30-day months:

<u>Principal Payment Date (September 1)</u>	<u>Principal Component</u>	<u>Interest Rate</u>
---	--------------------------------	--------------------------

Except as otherwise provided in the Letter of Representations, payments of interest evidenced by the Certificates shall be made to the Owners thereof, as determined at the close of business on the Record Date next preceding the related Interest Payment Date, by check or draft of the Trustee mailed to the address of each such Owner as it appears on the Registration Books, or to such other address as may be furnished in writing to the Trustee by each such Owner. Except as otherwise provided in the Letter of Representations, payment of principal and prepayment premium, if any, evidenced by the Certificates, on their stated Principal Payment Dates or on prepayment in whole or in part prior thereto, shall be made only upon presentation and surrender of the Certificates at the Principal Office of the Trustee.

(b) *Computation of Interest.* The interest evidenced by the Certificates shall be payable on each Interest Payment Date to and including their respective Principal Payment Dates or prepayment prior thereto, and shall represent the sum of the portions of the Base Rental Payments evidenced thereby designated as interest components coming due on the Interest Payment Dates in each year. The principal evidenced by the Certificates shall be payable on their respective Principal Payment Dates and Mandatory Sinking Account Payment Dates in each year and shall represent the sum of the portions of the Base Rental Payments designated as principal components

coming due on the Principal Payment Dates and Mandatory Sinking Account Payment Dates in each year.

Section 2.04. Form of Certificates. The Certificates shall be in substantially the form of Exhibit B hereto, with necessary or appropriate insertions, omissions and variations as permitted or required hereby.

Section 2.05. Execution of Certificates. The Certificates shall be executed by the Trustee by the manual signature of an authorized signatory of the Trustee.

Section 2.06. Certificate Registration Books. (a) The Trustee shall keep at its Principal Office sufficient books for the registration and transfer of the Certificates, which books shall be available for inspection and copying by the District and the Insurer at reasonable hours and under reasonable conditions; and upon presentation for such purpose the Trustee shall, under such reasonable regulations as it may prescribe, register or transfer the Certificates on such books as hereinabove provided.

(b) The Trustee may treat the Owner of any Certificate as the absolute owner of such Certificate for all purposes, whether or not the principal or interest evidenced by such Certificate shall be overdue, and the Trustee shall not be affected by any knowledge or notice to the contrary; and payment of the interest and principal evidenced by such Certificate shall be made only to such Owner, which payments shall be valid and effectual to satisfy and discharge the liability evidenced by such Certificate to the extent of the sum or sums so paid.

Section 2.07. Transfer and Payment of Certificates; Exchange of Certificates. Each Certificate is transferable by the Owner thereof, in person or by his attorney duly authorized in writing, at the Principal Office of the Trustee, upon surrender of such Certificate for cancellation accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Trustee.

Whenever any Certificate shall be surrendered for transfer, the Trustee shall execute and deliver a new Certificate or Certificates evidencing principal in the same aggregate amount and having the same stated Principal Payment Date. The Trustee shall require the payment by any Owner requesting such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

Each Certificate may be exchanged at the Principal Office of the Trustee for Certificates evidencing principal in a like aggregate amount and having the same stated Principal Payment Date in such Authorized Denominations as the Owner thereof may request. The Trustee shall require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Trustee shall not be required to transfer or exchange any Certificate during the period commencing on the date five days before the date of selection of Certificates for prepayment and ending on the date of mailing notice of such prepayment, nor shall the Trustee be required to transfer or exchange any Certificate or portion thereof selected for prepayment from and after the date of mailing the notice of prepayment thereof.

Section 2.08. Book-Entry System. (a) The Certificates shall initially be executed and delivered as Book-Entry Certificates and the Certificates for each stated Principal Payment Date shall be in the form of a separate single fully registered Certificate (which may be typewritten). The ownership of each Book-Entry Certificate shall be registered in the Registration Books in the name of the Nominee, as nominee of the Depository. Payment of principal or interest evidenced by any Book-Entry Certificate registered in the name of the Nominee shall be made on the applicable payment date by wire transfer of New York clearing house or equivalent next day funds or by wire transfer of same day funds to the account of the Nominee. Such payments shall be made to the Nominee at the address which is, on the Record Date, shown for the Nominee in the Registration Books.

(b) With respect to Book-Entry Certificates, the District, the Corporation and the Trustee shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds an interest in such Book-Entry Certificates. Without limiting the immediately preceding sentence, the District, the Corporation and the Trustee shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any ownership interest in Book-Entry Certificates, (ii) the delivery to any Participant or any other person, other than an Owner as shown in the Registration Books, of any notice with respect to Book-Entry Certificates, including any notice of prepayment, (iii) the selection by the Depository and its Participants of the beneficial interests in Book-Entry Certificates to be prepaid in the event Certificates are prepaid in part, (iv) the payment to any Participant or any other person, other than an Owner as shown in the Registration Books, of any amount with respect to principal, premium, if any, or interest evidenced by Book-Entry Certificates, or (v) any consent given or other action taken by the Depository as Owner.

(c) The District and the Trustee may treat and consider the person in whose name each Book-Entry Certificate is registered in the Registration Books as the absolute Owner of such Book-Entry Certificate for the purpose of payment of principal, prepayment premium, if any, and interest evidenced by such Certificate, for the purpose of selecting any Certificates, or portions thereof, to be prepaid, for the purpose of giving notices of prepayment and other matters with respect to such Certificate, for the purpose of registering transfers with respect to such Certificate, for the purpose of obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and the District, the Corporation and the Trustee shall not be affected by any notice to the contrary.

(d) In the event of a prepayment of all or a portion of a Certificate, the Depository, in its discretion, (i) may request the Trustee to execute and deliver a new Certificate, or (ii) if DTC is the sole Owner of such Certificate, shall make an appropriate notation on the Certificate indicating the date and amounts of the reduction in principal evidenced thereby resulting from such prepayment, except in the case of final payment, in which case such Certificate must be presented to the Trustee prior to payment.

(e) The Trustee shall pay all principal, premium, if any, and interest evidenced by the Certificates only to or “upon the order of” (as that term is used in the Uniform Commercial Code as adopted in the State of California) the respective Owner, as shown in the Registration Books, or his respective attorney duly authorized in writing, and all such payments shall be valid and effective to fully satisfy and discharge the obligations with respect to payment of principal,

premium, if any, and interest evidenced by the Certificates to the extent of the sum or sums so paid. No person other than an Owner, as shown in the Registration Books, shall receive a Certificate evidencing principal, premium, if any, and interest evidenced by the Certificates. Upon delivery by the Depository to the Owners, the Trustee and the District of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions herein with respect to Record Dates, the word Nominee in this Trust Agreement shall refer to such nominee of the Depository.

(f) In order to qualify the Book-Entry Certificates for the Depository's book-entry system, the District shall execute and deliver to the Depository a Letter of Representations. The execution and delivery of a Letter of Representations shall not in any way impose upon the Corporation, the District or the Trustee any obligation whatsoever with respect to persons having interests in such Book-Entry Certificates other than the Owners, as shown on the Registration Books. Such Letter of Representations may provide the time, form, content and manner of transmission, of notices to the Depository. In addition to the execution and delivery of a Letter of Representations by the District, the District, the Corporation and the Trustee shall take such other actions, not inconsistent with this Trust Agreement, as are reasonably necessary to qualify Book-Entry Certificates for the Depository's book-entry program.

(g) In the event the District determines that it is in the best interests of the Beneficial Owners that they be able to obtain certificated Certificates and that such Certificates should therefore be made available and notifies the Depository and the Trustee of such determination, the Depository will notify the Participants of the availability through the Depository of certificated Certificates. In such event, the Trustee shall transfer and exchange certificated Certificates as requested by the Depository and any other Owners in appropriate amounts. In the event (i) the Depository determines not to continue to act as securities depository for Book-Entry Certificates, or (ii) the Depository shall no longer so act and gives notice to the Trustee of such determination, then the District shall discontinue the Book-Entry system with the Depository. If the District determines to replace the Depository with another qualified securities depository, the District shall prepare or direct the preparation of a new single, separate, fully registered Certificate for each stated Principal Payment Date of such Book-Entry Certificates, registered in the name of such successor or substitute qualified securities depository or its nominee. If the District fails to identify another qualified securities depository to replace the Depository, then the Certificates shall no longer be restricted to being registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Certificates shall designate, in accordance with the provisions of Sections 2.07 and 2.10 hereof. Whenever the Depository requests the District to do so, the District will cooperate with the Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Book-Entry Certificates to any Participant having Book-Entry Certificates credited to its account with the Depository, and (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Book-Entry Certificates.

(h) Notwithstanding any other provision of this Trust Agreement to the contrary, if DTC is the sole Owner of the Certificates, so long as any Book-Entry Certificate is registered in the Registration Books in the name of the Nominee, all payments of principal, premium, if any, and interest evidenced by such Certificate and all notices with respect to such Certificate shall be

made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

(i) In connection with any notice or other communication to be provided to Owners pursuant to this Trust Agreement by the District, the Corporation or the Trustee, with respect to any consent or other action to be taken by Owners, the Trustee shall establish a record date for such consent or other action and give the Depository notice of such record date no later than 15 calendar days in advance of such record date to the extent possible. Notice to the Depository shall be given only when DTC is the sole Owner of the Certificates.

Section 2.09. Temporary Certificates. The Certificates may be initially delivered in temporary form exchangeable for definitive Certificates when ready for delivery, which temporary Certificates shall be printed, lithographed or typewritten, shall be of such denominations as may be determined by the Trustee, shall be in fully registered form and shall contain such reference to any of the provisions hereof as may be appropriate. Every temporary Certificate shall be executed and delivered by the Trustee upon the same conditions and terms and in substantially the same manner as definitive Certificates. If the Trustee executes and delivers temporary Certificates, it shall prepare and execute definitive Certificates without delay, and thereupon the temporary Certificates may be surrendered at the Principal Office of the Trustee in exchange for such definitive Certificates, and until so exchanged such temporary Certificates shall be entitled to the same benefits hereunder as definitive Certificates executed and delivered hereunder.

Section 2.10. Certificates Mutilated, Lost, Destroyed or Stolen. If any Certificate shall become mutilated, the Trustee, at the expense of the Owner thereof, shall execute and deliver a new Certificate evidencing a like principal amount and having the same stated Principal Payment Date and number in exchange and substitution for the Certificate so mutilated, but only upon surrender to the Trustee of the Certificate so mutilated. Every mutilated Certificate so surrendered to the Trustee shall be canceled by it and disposed of in a manner deemed appropriate by the Trustee. If any Certificate shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee, and if such evidence is satisfactory to the Trustee and indemnity satisfactory to the Trustee shall be given, the Trustee, at the expense of the Owner thereof, shall execute and deliver a new Certificate evidencing a like principal amount and having the same stated Principal Payment Date, numbered as the Trustee shall determine, in lieu of and in substitution for the Certificate so lost, destroyed or stolen. The Trustee may require payment of a sum not exceeding the actual cost of preparing each new Certificate executed and delivered by it under this Section and of the expenses which may be incurred by it under this Section. Any Certificate executed and delivered under the provisions of this Section in lieu of any Certificate alleged to be lost, destroyed or stolen shall be equally and proportionately entitled to the benefits hereof with all other Certificates executed and delivered hereunder, and the Trustee shall not be required to treat both the original Certificate and any replacement Certificate as being Outstanding for the purpose of determining the amount of Certificates which may be executed and delivered hereunder or for the purpose of determining any percentage of Certificates Outstanding hereunder, but both the original and replacement Certificate shall be treated as one and the same. Notwithstanding any other provision of this Section, in lieu of executing and delivering a new Certificate for a Certificate which has been lost, destroyed or stolen and which evidences principal that is then payable, the Trustee may make payment of such Certificate to the Owner thereof if so instructed by the District.

ARTICLE III

PROCEEDS OF CERTIFICATES

Section 3.01. Delivery of Certificates. The Trustee shall execute the Certificates and deliver the Certificates to the Purchaser upon receipt of a Written Request of the District and upon receipt of the proceeds of sale thereof.

Section 3.02. Proceeds of Certificates. The proceeds of the Certificates shall be used by the Corporation to pay the District the rental payment due under the Ground Lease. The District hereby directs the Corporation to make such payment to the Trustee. The proceeds of the sale of the Certificates so received by the Trustee, \$_____ (which constitutes the purchase price of the Certificates less the premium for the Insurance Policy (\$_____) to be wired directly to the Insurer by the Purchaser, and less the premium for the Reserve Policy (\$_____) to be wired directly to the Reserve Insurer by the Purchaser), shall be deposited or transferred by the Trustee as follows:

(a) the Trustee shall deposit in the Costs of Issuance Fund established pursuant to Section 3.03 hereof the amount of \$_____; and

(b) the Trustee shall transfer the amount of \$_____ to the Escrow Bank to be held under the Escrow Agreement to prepay the prior Certificates in accordance with the Escrow Agreement.

The Trustee shall deposit in the Reserve Fund established pursuant to Section 5.05 hereof the Reserve Policy, in an amount equal to the Reserve Requirement.

Section 3.03. Costs of Issuance Fund. (a) The Trustee shall establish and maintain a separate special fund to be held by the Trustee designated the “Costs of Issuance Fund.” On the Delivery Date, there shall be deposited in the Costs of Issuance Fund the amount required to be deposited therein pursuant to Section 3.02 hereof.

(b) The Trustee shall disburse moneys from the Costs of Issuance Fund on such dates and in such amounts as are necessary to pay Costs of Issuance, in each case upon the Written Request of the District, stating the person to whom payment is to be made, the amount to be paid, the purpose for which the obligation was incurred and that such payment is a proper charge against the Costs of Issuance Fund. On the last Business Day that is no later than six months after the Delivery Date, the Trustee shall transfer any amounts then remaining in the Costs of Issuance Fund to the Base Rental Payment Fund and the Trustee shall close the Costs of Issuance Fund.

ARTICLE IV

(a) *Extraordinary Prepayment.* The Certificates are subject to prepayment prior to their stated Principal Payment Dates, on any date, in whole or in part, in Authorized Denominations, from and to the extent of any Net Proceeds received with respect to all or a portion of the Property, deposited by the Trustee in the Prepayment Fund pursuant to Sections 5.03 and 5.04 hereof, at a prepayment price equal to the principal evidenced by the Certificates to be prepaid, plus unpaid accrued interest, if any, evidenced thereby to the date fixed for prepayment, without premium.

(September 1)

Principal

*

*Stated Principal Payment Date

If some but not all of the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ is prepaid pursuant to subsection (a) of Section 4.01 hereof, the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ to be prepaid pursuant to subsection (c) of Section 4.01 hereof on any subsequent September 1 shall be reduced by the aggregate principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ so prepaid pursuant to subsection (a) of Section 4.01 hereof, such reduction to be allocated among prepayment dates in proportion to the amount by which the principal components of the Base Rental Payments evidenced by such Certificates payable on such prepayment dates are abated pursuant to Section 3.06 of the Lease Agreement as a result of the event that caused such Certificates to be prepaid pursuant to subsection (a) of Section 4.01 hereof in amounts of Authorized Denominations. If some but not all of the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ is prepaid pursuant to subsection (b) of Section 4.01 hereof, the principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ to be prepaid pursuant to subsection (c) of Section 4.01 hereof on any subsequent September 1 shall be reduced by the aggregate principal evidenced by the Certificates with a stated Principal Payment Date of September 1, 20__ so prepaid pursuant to subsection of Section 4.01 hereof, such reduction to be allocated among prepayment dates in amounts of Authorized Denominations to correspond to the prepaid Base Rental Payments elected by the District pursuant to Section 7.02 of the Lease Agreement.

Section 4.02. Selection of Certificates for Prepayment. Whenever less than all the Outstanding Certificates are to be prepaid on any one date, the Trustee shall select the Certificates to be prepaid (a) with respect to any prepayment pursuant to subsection (a) of Section 4.01 hereof, among Certificates with different stated Principal Payment Dates in proportion to the amount by which the principal components of the Base Rental Payments evidenced by such Certificates are abated pursuant to Section 3.06 of the Lease Agreement, and (b) with respect to any prepayment pursuant to subsection (b) of Section 4.01 hereof, as directed in a Written Request of the District, and by lot among Certificates with the same stated Principal Payment Date in any manner that the Trustee deems fair and appropriate, which decision shall be final and binding upon the District and the Owners. The Trustee shall promptly notify the District in writing of the numbers of the Certificates so selected for prepayment on such date. For purposes of such selection, any Certificate may be prepaid in part in Authorized Denominations.

Section 4.03. Notice of Prepayment. (a) The Trustee shall mail (by first class mail) notice of any prepayment to the respective Owners of any Certificates designated for prepayment at their respective addresses appearing on the Registration Books at least 30 but not more than 60 days prior to the date fixed for prepayment. Such notice shall state the date of the notice, the prepayment date, the prepayment place and the prepayment price and shall designate the CUSIP numbers, if any, the Certificate numbers and the stated Principal Payment Date or Principal Payment Dates of the Certificates to be prepaid (except in the event of prepayment of all of the Certificates in whole), and shall require that such Certificates be then surrendered at the Principal Office of the Trustee for prepayment at the prepayment price, giving notice also that further interest evidenced by such Certificates will not accrue from and after the date fixed for prepayment. Neither the failure to receive any notice so mailed, nor any defect in such notice, shall affect the validity of the proceedings for the prepayment of the Certificates or the cessation of accrual of interest evidenced thereby from and after the date fixed for prepayment.

(b) With respect to any notice of any optional prepayment of Certificates, unless at the time such notice is given the Certificates to be prepaid shall be deemed to have been paid within the meaning of Section 10.02 hereof, such notice shall state that such prepayment is conditional upon receipt by the Trustee, on or prior to the date fixed for such prepayment, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the prepayment price of, and accrued interest evidenced by, the Certificates to be prepaid, and that if such moneys shall not have been so received said notice shall be of no force and effect and such Certificates shall not be required to be prepaid. In the event a notice of prepayment of Certificates contains such a condition and such moneys are not so received, the prepayment of Certificates as described in the conditional notice of prepayment shall not be made and the Trustee shall, within a reasonable time after the date on which such prepayment was to occur, give notice to the Persons and in the manner in which the notice of prepayment was given, that such moneys were not so received and that there shall be no prepayment of Certificates pursuant to such notice of prepayment.

Section 4.04. Partial Prepayment of Certificates. Upon surrender of any Certificate prepaid in part only, the Trustee shall execute and deliver to the Owner thereof a new Certificate or Certificates evidencing the unprepaid principal with respect to the Certificate surrendered.

Section 4.05. Effect of Prepayment. If notice of prepayment has been duly given as aforesaid and moneys for the payment of the prepayment price of the Certificates to be prepaid are

held by the Trustee, then on the prepayment date designated in such notice, the Certificates so called for prepayment shall become payable at the prepayment price specified in such notice; and from and after the date so designated, interest evidenced by the Certificates so called for prepayment shall cease to accrue, such Certificates shall cease to be entitled to any benefit or security hereunder and the Owners of such Certificates shall have no rights in respect thereof except to receive payment of the prepayment price thereof, and such moneys shall be pledged to such prepayment. The Trustee shall, upon surrender for payment of any of the Certificates to be prepaid, pay such Certificates at the prepayment price thereof.

All Certificates prepaid pursuant to the provisions of this Article shall be canceled by the Trustee and shall not be redelivered.

FUNDS AND ACCOUNTS; RENTAL PAYMENTS

Section 5.01. Pledge; Base Rental Payment Fund. (a) Subject only to the provisions of this Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein, in order to secure the District's obligations hereunder and under the Lease Agreement, the District hereby irrevocably pledges to the Owners, and grants a lien on and a security interest in, all of its right, title and interest, if any, in and to all amounts on deposit from time to time in the funds and accounts established hereunder (other than the Rebate Fund), which amounts shall be used for the payment of the Base Rental Payments in accordance with the terms hereof and of the Lease Agreement. Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the District, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, this Trust Agreement, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

(b) It is the intent of the parties hereto that the Corporation not have any right, title or interest in or to the amounts on deposit from time to time in the funds and accounts established hereunder. If, contrary to the intent of the parties hereto, the Corporation is found to have any right, title or interest in or to any such amounts, then, subject only to the provisions of this Trust Agreement permitting the application thereof for the purposes and on the terms and conditions set forth herein, the Corporation hereby irrevocably pledges to the Owners, and grants a lien on and a security interest in, all of its right, title and interest, if any, in and to all amounts on deposit from time to time in the funds and accounts established hereunder (other than the Rebate Fund). Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the Corporation, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, this Trust Agreement, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

(c) All Base Rental Payments shall be paid directly by the District to the Trustee, and if received by the Corporation at any time shall be deposited by the Corporation with the Trustee within one Business Day after the receipt thereof. All Base Rental Payments paid by the District shall be deposited by the Trustee in the Base Rental Payment Fund, which the Trustee shall establish and maintain until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. The moneys in the Base Rental Payment Fund shall be held in trust by the Trustee and shall be disbursed only for the purposes and uses herein authorized. Any Net Proceeds of rental interruption insurance received with respect to the Property shall be deposited in the Base Rental Payment Fund.

(d) Pursuant to the Assignment Agreement, the Corporation has sold, assigned and transferred to the Trustee, irrevocably and absolutely, for the benefit of the Owners, all of its right,

title and interest in and to the Ground Lease and the Lease Agreement, including its right to receive Base Rental Payments to be paid by the District under and pursuant to the Lease Agreement; provided, however, that the Corporation has retained the rights to indemnifications and to payment or reimbursement of its reasonable costs and expenses under the Lease Agreement. The Corporation shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the District of the other agreements and covenants required to be performed by it contained in the Ground Lease, the Lease Agreement or herein, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

Section 5.02. Deposit of Base Rental Payments. The Trustee shall transfer the amounts on deposit in the Base Rental Payment Fund, at the times and in the manner hereinafter provided, to the following respective funds, each of which the Trustee hereby agrees to establish and maintain until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. The moneys in each of such funds shall be held in trust by the Trustee and shall be disbursed only for the purposes and uses herein authorized.

(a) *Interest Fund.* The Trustee, on each Interest Payment Date, shall deposit in the Interest Fund that amount of moneys representing the portion of the Base Rental Payments designated as the interest component coming due on such Interest Payment Date. On each Interest Payment Date, the Trustee shall withdraw from the Interest Fund, for payment to the Owners, the interest evidenced by the Certificates coming due on such Interest Payment Date.

(b) *Principal Fund.* The Trustee, on each Principal Payment Date and each Mandatory Sinking Account Payment Date, shall deposit in the Principal Fund that amount of moneys representing the portion of the Base Rental Payments designated as the principal component coming due on such Principal Payment Date or Mandatory Sinking Account Payment Date. On each Principal Payment Date and each Mandatory Sinking Account Payment Date, the Trustee shall withdraw from the Principal Fund, for payment to the Owners, the principal evidenced by the Certificates due and payable on such Principal Payment Date or upon earlier prepayment from Mandatory Sinking Account Payments.

(c) *Prepayment Fund.* The Trustee, on the prepayment date specified in the Written Request of the District filed with the Trustee at the time that any prepaid Base Rental Payment is paid to the Trustee pursuant to the Lease Agreement, shall deposit in the Prepayment Fund that amount of moneys representing the portion of the Base Rental Payments designated as prepaid Base Rental Payments. Additionally, the Trustee shall deposit in the Prepayment Fund any amounts required to be deposited therein pursuant to Section 5.03 or Section 5.04 hereof. Moneys in the Prepayment Fund shall be used by the Trustee for the purpose of paying the interest, premium, if any, and principal evidenced by the Certificates to be prepaid. All moneys held by the Trustee in the Prepayment Fund shall either be held uninvested or invested in Defeasance Securities, which mature in sufficient amounts and on the dates needed to make the prepayments of Certificates for which such moneys were deposited.

Section 5.03. Application of Net Proceeds. If the Property or any portion thereof shall be damaged or destroyed, subject to the further requirements of this Section, the District shall, as

expeditiously as possible, continuously and diligently prosecute or cause to be prosecuted the repair or replacement thereof, unless the District elects not to repair or replace the Property or the affected portion thereof in accordance with the provisions hereof.

The Net Proceeds of any insurance (other than Net Proceeds of rental interruption insurance), including the proceeds of any self-insurance, received on account of any damage or destruction of the Property or a portion thereof shall as soon as possible be deposited with the Trustee and be held by the Trustee in a special account and made available for and, to the extent necessary, shall be applied to the cost of repair or replacement of the Property or the affected portion thereof upon receipt of a Written Request of the District, together with invoices therefor. Pending such application, such proceeds may be invested by the Trustee as directed by the District in Permitted Investments that mature not later than such times as moneys are expected to be needed to pay such costs of repair or replacement.

Notwithstanding the foregoing, the District shall, within 60 days of the occurrence of the event of damage or destruction, notify the Trustee and the Insurer in writing as to whether the District intends to replace or repair the Property or the portions of the Property which were damaged or destroyed. If the District does intend to replace or repair the Property or portions thereof, the District shall deposit with the Trustee the full amount of any insurance deductible to be deposited to the special account.

If such damage, destruction or loss was such that there resulted a substantial interference with the District's right to the use or occupancy of the Property and an abatement in whole or in part of Rental Payments would result from such damage or destruction pursuant to Section 3.06 of the Lease Agreement (disregarding, for the purpose of determining whether such an abatement would result, the provisions of subsection (b) of Section 3.06 of the Lease Agreement), then the District shall be required either to (a) apply sufficient funds from the insurance proceeds and other legally available funds to the replacement or repair of the Property or the portions thereof which have been damaged to the condition which existed prior to such damage or destruction, or (b) apply sufficient funds from the insurance proceeds and other legally available funds to the prepayment, as set forth in subsection (a) of Section 4.01 hereof, in full of all the Outstanding Certificates or all of those Outstanding Certificates which would have been payable from that portion of the Base Rental Payments which would be abated as a result of the damage or destruction (disregarding, for the purpose of determining what portion of the Base Rental Payments would be so abated, the provisions of subsection (b) of Section 3.06 of the Lease Agreement). Funds to be applied to the prepayment of Certificates in accordance with clause (b) above shall be deposited in the Prepayment Fund. Any proceeds of any insurance, including the proceeds of any self-insurance remaining after the portion of the Property which was damaged or destroyed is restored to and made available to the District in substantially the same condition and annual fair rental value as that which existed prior to the damage or destruction as required by clause (a) above or the prepayment of Certificates as required by clause (b) above, in each case as evidenced by a Written Certificate of the District to such effect, shall be deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement (taking into account amounts available under any Reserve Facility). If the District is not required to replace or repair the Property, or the affected portion thereof, as set forth in clause (a) above or to use such amounts to prepay Certificates as set forth in clause (b) above, then such proceeds shall be deposited in the Reserve Fund to the extent that the amount therein is less than the Reserve Requirement (taking into account

amounts available under any Reserve Facility). Any amounts not required to be so deposited into the Reserve Fund shall, if there is first delivered to the Trustee and the Insurer a Written Certificate of the District to the effect that the annual fair rental value of the Property after such damage or destruction, and after any repairs or replacements made as a result of such damage or destruction, is at least equal to 100% of the maximum amount of Base Rental Payments becoming due under the Lease Agreement in the then current Rental Period or any subsequent Rental Period and the fair replacement value of the Property after such damage or destruction is at least equal to the sum of the then unpaid principal components of Base Rental Payments, be paid to the District to be used for any lawful purpose.

The proceeds of any award in eminent domain with respect to the Property shall be deposited by the Trustee in the Prepayment Fund and applied to the prepayment of Outstanding Certificates pursuant to subsection (a) of Section 4.01 hereof.

Section 5.04. Title Insurance. Proceeds of any policy of title insurance received by the Trustee in respect of the Property shall be applied and disbursed by the Trustee as follows:

(a) if the District determines (and sets forth in a Written Certificate of the District) that the title defect giving rise to such proceeds has not substantially interfered with its use and occupancy of the Property and will not result in an abatement of Rental Payments payable by the District under the Lease Agreement, such proceeds shall, with the written approval of the Insurer, be remitted to the District and used for any lawful purpose thereof; or

(b) if the District determines that the title defect giving rise to such proceeds has substantially interfered with its use and occupancy of the Property and would result in an abatement in whole or in part of Rental Payments payable by the District under the Lease (disregarding, for the purpose of determining whether such an abatement would result, the provisions of subsection (b) of Section 3.06 of the Lease Agreement), then the District shall, in a Written Request of the District, direct the Trustee to, and the Trustee shall, immediately deposit such proceeds in the Prepayment Fund and such proceeds shall, with the written approval of the Insurer, be applied to the prepayment of Certificates in the manner provided in subsection (a) of Section 4.01 hereof.

Section 5.05. Reserve Fund. (a) The Trustee shall establish and maintain the Reserve Fund until all required Base Rental Payments are paid in full pursuant to the Lease Agreement and until the first date upon which the Certificates are no longer Outstanding. There shall be deposited in the Reserve Fund on the Delivery Date the Reserve Policy pursuant to Section 3.02 hereof. The moneys in the Reserve Fund and any Reserve Facility shall be held in trust by the Trustee and shall be used and disbursed only for the purposes and uses herein authorized.

(b) The District may substitute a Reserve Facility for all or a part of the Reserve Facility then on deposit in the Reserve Fund by depositing such substitute Reserve Facility with the Trustee so long as, at the time of such substitution, the amount on deposit in the Reserve Fund, together with the amount available under such Reserve Facility and any previously substituted Reserve Facilities, shall be at least equal to the Reserve Requirement; provided, however, that, prior to any such substitution, the Trustee shall have received the written consent of the Insurer (so long as the

Insurer is not in default in its payment obligations under the Insurance Policy). The District shall not substitute any Reserve Facility in lieu of all or any portion of moneys on deposit in the Reserve Fund without the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy). Moneys for which a Reserve Facility has been substituted as provided herein shall be transferred, at the election of the District, to the Base Rental Payment Fund, or upon receipt of an Opinion of Counsel to the effect that such transfer, in and of itself, will not adversely affect the exclusion of interest evidenced by the Certificates from gross income for federal income tax purposes, to a special account to be held by the Trustee and applied to the payment of capital costs of the District, as directed in a Written Request of the District. Any amounts paid pursuant to any Reserve Facility shall be deposited in the Reserve Fund.

(c) Amounts on deposit in the Reserve Fund which were not derived from payments under any Reserve Facility credited to the Reserve Fund to satisfy a portion of the Reserve Requirement shall be used and withdrawn by the Trustee prior to using and withdrawing any amounts derived from payments under any such Reserve Facility. In order to accomplish such use and withdrawal of such amounts not derived from payments under any such Reserve Facility, the Trustee shall, as and to the extent necessary, liquidate any investments purchased with such amounts. If and to the extent that, more than one Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, drawings thereunder, and repayment of expenses with respect thereto, shall be made on a *pro-rata* basis (calculated by reference to the policy limits available thereunder without regard to the legal or financial ability or willingness of any Reserve Facility provider to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw).

If, on any Interest Payment Date, the amount on deposit in the Interest Fund is insufficient to pay the interest evidenced by the Certificates payable on such Interest Payment Date, the Trustee shall transfer from the Reserve Fund and deposit in the Interest Fund an amount sufficient to make up such deficiency. If a Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, the Trustee shall make a claim for payment under such Reserve Facility, in accordance with the provisions thereof, in an amount which, together with other available moneys in the Reserve Fund, will be sufficient to make said deposit in the Interest Fund.

If, on any Principal Payment Date or Mandatory Sinking Account Payment Date, the amount on deposit in the Principal Fund is insufficient to pay the principal evidenced by the Certificates payable on such Principal Payment Date or Mandatory Sinking Account Payment Date, the Trustee shall transfer from the Reserve Fund and deposit in the Principal Fund an amount sufficient to make up such deficiency. If a Reserve Facility is credited to the Reserve Fund to satisfy a portion of the Reserve Requirement, the Trustee shall make a claim for payment under such Reserve Facility, in accordance with the provisions thereof, in an amount which, together with other available moneys in the Reserve Fund, will be sufficient to make said deposit in the Principal Fund.

Moneys, if any, on deposit in the Reserve Fund shall be withdrawn and applied by the Trustee for the final payment of principal and interest evidenced by the Certificates.

(d) In the event of any transfer from the Reserve Fund or the making of any claim under any Reserve Facility, the Trustee shall, within five days thereafter, provide written notice to the District of the amount and the date of such transfer or claim.

(e) To the extent that proceeds of a payment under the Reserve Policy are applied to the payment of interest or principal evidenced by a Certificate, the Reserve Insurer shall become the Owner of such portion of such Certificate and the right to receive payment of such interest or principal and shall be fully subrogated to all of the Owner's rights thereunder to the extent of such payment, including the Owner's rights to payment thereof. To evidence such subrogation (i) in the case of subrogation as to claims for interest, the Trustee shall note the Reserve Insurer's rights as subrogee on the Registration Books, and (ii) in the case of subrogation as to claims for principal, the Trustee shall note the Reserve Insurer's rights as subrogee on the Registration Books upon surrender of the Certificate evidencing such principal by the Owner thereof to the Trustee.

(f) If, as a result of the District's non-payment, when due, of all or a portion of a Base Rental Payment (other than a non-payment caused by an abatement of Rental Payments pursuant to Section 3.06 of the Lease Agreement), a claim has been made under the Reserve Policy and the Reserve Insurer has paid such claim, the first of Base Rental Payments, including the interest component thereof, calculated at the Insurer Rate as provided in Section 3.04 of the Lease Agreement, thereafter received from the District under the Lease Agreement and not needed to pay the principal or interest evidenced by the Certificates on the next Interest Payment Date, Principal Payment Date or Mandatory Sinking Account Payment Date shall be paid to the Reserve Insurer, as the Owner of the Certificates (or portions thereof) evidencing such delinquent Base Rental Payment, in repayment of such payment by the Reserve Insurer until such payment is paid in full. If as a result of the District's non-payment of all or a portion of a Base Rental Payment (which non-payment is caused by an abatement of Rental Payments pursuant to Section 3.06 of the Lease Agreement), a claim has been made on the Reserve Policy and the Reserve Insurer has paid such claim, the Reserve Insurer, as the Owner of the Certificates (or portions thereof) evidencing such abated Base Rental Payment, shall be entitled to receive, during the extension of the term of the Lease Agreement provided for in Section 2.02 of the Lease Agreement, any amounts paid in respect of such abated and unpaid Base Rental Payment pursuant to subsection (b) of Section 3.01 and Section 3.04 of the Lease Agreement. Any such payment by the District pursuant to this Section shall be applied first to the interest component of such delinquent Base Rental Payment due the Reserve Insurer and second to the principal components of such delinquent Base Rental Payment due the Reserve Insurer.

(g) If (i) the sum of the amount on deposit in the Reserve Fund, plus the amount available under all available Reserve Facilities, is less than the Reserve Fund Requirement, (ii) there are no amounts then due to the Reserve Insurer under the Reserve Policy, and (iii) there are no amounts then due to the provider of any other Reserve Facility under such Reserve Facility, the first of Base Rental Payments thereafter received from the District under the Lease Agreement and not needed to pay the principal or interest evidenced by the Certificates on the next Interest Payment Date, Principal Payment Date or Mandatory Sinking Account Payment Date shall be used, first, to reinstate the amounts available under the Reserve Facilities that have been drawn upon and, second, to increase the amount on deposit in the Reserve Fund, so that the amount available under the Reserve Facilities, when added to the amount on deposit in the Reserve Fund, shall equal the Reserve Requirement.

(h) If, as a result of the payment of principal or interest evidenced by the Certificates or otherwise, the Reserve Requirement is reduced, amounts on deposit in the Reserve Fund in excess of such reduced Reserve Requirement shall be transferred to the Base Rental Payment Fund.

(i) On any date on which Certificates are defeased in accordance with Section 10.02 hereof, the Trustee shall, if so directed in a Written Request of the District, transfer any moneys in the Reserve Fund in excess of the Reserve Requirement resulting from such defeasance to the entity or fund so specified in such Written Request of the District, to be applied to such defeasance.

Section 5.06. Rebate Fund. (a) In addition to the other funds and accounts created pursuant hereto, the Trustee shall establish and maintain the “Rebate Fund.” There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement, for payment to the United States of America. Notwithstanding defeasance of the Certificates pursuant to Article X hereof or anything to the contrary contained herein, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by this Section and by the Tax Certificate (which is incorporated herein by reference). The Trustee shall have no liability or responsibility to enforce compliance by the District with the terms of the Tax Certificate. The Trustee may conclusively rely upon the District’s determinations, calculations and certifications required by the Tax Certificate. The Trustee shall have no responsibility to independently make any calculation or determination or to review the District’s calculations.

(b) Any funds remaining in the Rebate Fund after payment in full of all of the principal and interest evidenced by the Certificates and after payment of any amounts described in this Section, shall be withdrawn by the Trustee and remitted to the District.

Section 5.07. Investments. (a) *General.* Except as otherwise provided herein, all moneys in any of the funds or accounts established pursuant to this Trust Agreement and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the District two Business Days prior to the making of such investment. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in this Trust Agreement; provided, however, that Permitted Investments in which moneys in the Reserve Fund are so invested shall mature no later than the earlier of five years from the date of investment or the final stated Principal Payment Date of the Certificates; provided, further, that if such Permitted Investments may be redeemed at par so as to be available on each Interest Payment Date, any amount in the Reserve Fund may be invested in such redeemable Permitted Investments maturing on any date on or prior to the final stated Principal Payment Date of the Certificates. Absent timely written direction from the District, the Trustee shall invest any funds held by it in Permitted Investments described in clause (h) of the definition thereof.

(b) *Role and Responsibilities of the Trustee.* The Trustee or an affiliate thereof may act as principal or agent in the acquisition or disposition of any such Permitted Investment and shall be entitled to a customary and reasonable fee therefor. The Trustee shall not be liable or responsible for any loss suffered in connection with any such investment made by it under the terms of and in accordance with this Trust Agreement. The Trustee shall sell or present for

redemption any obligations so purchased whenever it shall be necessary in order to provide moneys to meet any payment of the funds so invested, and the Trustee shall not be liable or responsible for any losses resulting from any such investment sold or presented for redemption.

The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive brokerage confirmations of security transactions as they occur, the District will not receive such confirmation to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements which shall include detail for all investment transactions made by the Trustee hereunder. The Trustee may make any investments hereunder through its own bond or investment department or trust investment department, or those of its parent or any affiliate. The Trustee or any of its affiliates may act as sponsor, advisor or manage in connection with any investments made by the Trustee hereunder.

(c) *Valuation.* Investments (except investment agreements) in any fund or account established hereunder shall be valued, exclusive of accrued interest, (i) not less often than semi-annually no later than February 15 and August 15 or more frequently if deemed necessary by the Insurer but not more often than monthly, and (ii) upon any draw upon the Reserve Fund. All investments of amounts deposited in any fund or account established hereunder shall be valued at the market value thereof.

(d) *Earnings.* Subject to the provisions of Section 5.06 hereof, any interest or profits received with respect to investments held in any of the funds or accounts established hereunder (other than the Reserve Fund) shall be retained therein. Subject to the provisions of Section 5.06 hereof, any interest or profits received with respect to investments held in the Reserve Fund shall be transferred to the Base Rental Payment Fund. Notwithstanding the foregoing, any such transfer shall be made from the Reserve Fund only if and to the extent that, after such transfer, the amount on deposit in the Reserve Fund, together with amounts available to be drawn on all Reserve Facilities, if any, available therein, is at least equal to the Reserve Requirement.

ARTICLE VI

COVENANTS

Section 6.01. Compliance with Trust Agreement. The Trustee will execute and deliver the Certificates only in accordance with the provisions hereof, and each of the Corporation and the District shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in this Trust Agreement required to be complied with, kept, observed and performed by it.

Section 6.02. Compliance with Ground Lease and Lease Agreement. Each of the Corporation and the District shall faithfully comply with, keep, observe and perform all the agreements, conditions, covenants and terms contained in the Ground Lease and the Lease Agreement required to be complied with, kept, observed and performed by it and, together with the Trustee, shall enforce the Ground Lease and the Lease Agreement against the other party thereto in accordance with their respective terms.

Section 6.03. Observance of Laws and Regulations. The Corporation, the District and the Trustee shall faithfully comply with, keep, observe and perform all valid and lawful obligations or regulations now or hereafter imposed on them by contract, or prescribed by any law of the United States of America or of the State of California, or by any officer, board or commission having jurisdiction or control, as a condition of the continued enjoyment of each and every franchise, right or privilege now owned or hereafter acquired by them, including their right to exist and carry on their respective businesses, to the end that such franchises, rights and privileges shall be maintained and preserved and shall not become abandoned, forfeited or in any manner impaired.

Section 6.04. Other Liens. The District will keep the Property and all parts thereof free from judgments and materialmen's and mechanics' liens and free from all claims, demands, encumbrances and other liens of whatever nature or character, other than Permitted Encumbrances, and free from any claim or liability which materially impairs the District in conducting its business or utilizing the Property, and the Trustee at its option (after first giving the District ten days' written notice to comply therewith and failure of the District to so comply within such ten-day period) may defend against any and all actions or proceedings, or may pay or, with the written consent of the Insurer, compromise any claim or demand asserted in any such actions or proceedings; provided, however, that, in defending against any such actions or proceedings or in paying or compromising any such claims or demands, the Trustee shall not in any event be deemed to have waived or released the District from liability for or on account of any of its agreements and covenants contained herein, or from its obligation hereunder to perform such agreements and covenants. The Trustee shall have no liability with respect to any determination made in good faith to proceed or decline to defend, pay or compromise any such claim or demand.

So long as any Certificates are Outstanding, neither the Trustee or the District shall create or suffer to be created any pledge of or lien on the amounts on deposit in any of the funds or accounts created hereunder, other than the pledge and lien hereof.

The Trustee shall not encumber the Property other than in accordance with the Ground Lease, the Lease Agreement, the Trust Agreement and the Assignment Agreement.

Section 6.05. Prosecution and Defense of Suits. The District shall promptly, upon request of the Trustee, the Insurer or any Owner, take such action from time to time as may be necessary or proper to remedy or cure any cloud upon or defect in the title to the Property or any part thereof, whether now existing or hereafter developing, shall prosecute all actions, suits or other proceedings as may be appropriate for such purpose and shall indemnify and save the Trustee, the Insurer and every Owner harmless from all cost, damage, expense or loss, including attorneys' fees, which they or any of them may incur by reason of any such cloud, defect, action, suit or other proceeding.

Section 6.06. Recordation. The District will record, or cause to be recorded, with the appropriate county recorder, the Lease Agreement, the Ground Lease and the Assignment Agreement, or memoranda thereof.

Section 6.07. Tax Covenants. (a) The District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest evidenced by the Certificates under Section 103 of the Code. Without limiting the generality of the foregoing, the District will comply with the requirements of the Tax Certificate, which is incorporated herein as if fully set forth herein. This covenant shall survive payment in full or defeasance of the Certificates.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established hereunder, the District shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of this Section, if the District shall provide to the Trustee an Opinion of Counsel to the effect that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest evidenced by the Certificates, the Trustee may conclusively rely on such opinion in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 6.08. Continuing Disclosure. Each of the District and the Trustee shall comply with and carry out all of the provisions of the Continuing Disclosure Agreement applicable to it. Notwithstanding any other provision of this Trust Agreement, failure of the District or the Trustee to comply with the Continuing Disclosure Agreement shall not constitute an event of default hereunder; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% of the aggregate amount of principal evidenced by Outstanding Certificates and upon being indemnified to its reasonable satisfaction, shall) or any Owner or Beneficial Owner of the Certificates may take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Section 6.09. Further Assurances. Whenever and so often as requested to do so by the Trustee, the Insurer or any Owner, the Corporation and the District will promptly execute and deliver or cause to be executed and delivered all such other and further assurances, documents or

instruments and promptly do or cause to be done all such other and further things as may be necessary or reasonably required in order to further and more fully vest in the Trustee, the Insurer and the Owners all advantages, benefits, interests, powers, privileges and rights conferred or intended to be conferred upon them hereby or by the Assignment Agreement, the Ground Lease or the Lease Agreement.

ARTICLE VII

DEFAULT AND LIMITATIONS OF LIABILITY

Section 7.01. Action on Default. If an event of default (within the meaning of Article VI of the Lease Agreement) shall happen, then such event of default shall constitute an event of default hereunder. The Trustee, as assignee of the Corporation, may give notice of an event of default under the Lease Agreement to the District, and shall do so if directed in writing to do so by the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) or the Owners of not less than a majority of the aggregate principal evidenced by Certificates then Outstanding. In each and every case during the continuance of an event of default, the Trustee (a) may, with the prior written consent of the Insurer, at the direction of the Owners of not less than a majority of the aggregate principal evidenced by Certificates then Outstanding, and (b) shall, upon being indemnified to its reasonable satisfaction, so long as the Insurer is not in default in its payment obligations under the Insurance Policy, at the direction of the Insurer, upon notice in writing to the District and the Corporation, exercise any of the remedies granted to the Corporation under the Lease Agreement and, in addition, with the written consent or at the written direction of the Insurer, take whatever action at law or in equity may appear necessary or desirable to enforce its rights as assignee pursuant to the Assignment Agreement or to protect and enforce any of the rights vested in the Trustee or the Owners by this Trust Agreement or by the Certificates, either at law or in equity or in bankruptcy or otherwise, whether for the specific enforcement of any covenant or agreement or for the enforcement of any other legal or equitable right, including any one or more of the remedies set forth in Section 7.02 hereof.

Section 7.02. Other Remedies of the Trustee. Subject to the provisions of Section 7.01 hereof, the Trustee shall have the right:

(a) by mandamus or other action or proceeding or suit at law or in equity to enforce its rights against the District or any member, director, officer or employee thereof, and to compel the District or any such member, director, officer or employee to perform or carry out its or his or her duties under law and the agreements and covenants required to be performed by it or him or her contained herein;

(b) by suit in equity to enjoin any acts or things which are unlawful or violate the rights of the Trustee or the Owners; or

(c) by suit in equity upon the happening of any event of default hereunder to require the District to account as the trustee of an express trust.

Section 7.03. Non-Waiver. So long as the Insurer is not in default in its payment obligations under the Insurance Policy, the Trustee shall not waive any default or breach of duty or contract hereunder without the prior written consent of the Insurer. A waiver of any default or breach of duty or contract by the Trustee shall not affect any subsequent default or breach of duty or contract or impair any rights or remedies on any such subsequent default or breach of duty or contract. No delay or omission by the Trustee to exercise any right or remedy accruing upon any default or breach of duty or contract shall impair any such right or remedy or shall be construed to be a waiver of any such default or breach of duty or contract or an acquiescence therein, and every

right or remedy conferred upon the Trustee by law or by this Article may be enforced and exercised from time to time and as often the Trustee shall deem expedient.

If any action, proceeding or suit to enforce any right or to exercise any remedy is abandoned or determined adversely to the Trustee, the Insurer or any Owner, then subject to any adverse determination, the Trustee, the Insurer, such Owner, the Corporation and the District shall be restored to their former positions, rights and remedies as if such action, proceeding or suit had not been brought or taken.

Section 7.04. Remedies Not Exclusive. Subject to the provisions of Section 7.01 hereof, no remedy herein conferred upon or reserved to the Trustee is intended to be exclusive of any other remedy, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing in law or in equity or by statute or otherwise and may be exercised without exhausting and without regard to any other remedy conferred by any law. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy.

Section 7.05. No Liability by the Corporation to the Owners. The Corporation shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the District of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Ground Lease or herein, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

Section 7.06. No Liability by the District to the Owners. Except for the payment when due of the Base Rental Payments and the performance of the other agreements and covenants required to be performed by it contained in the Lease Agreement, the Ground Lease or herein, the District shall not have any obligation or liability to the Owners with respect to the Trust Agreement or the preparation, execution, delivery or transfer of the Certificates or the disbursement of the Base Rental Payments by the Trustee to the Owners, or with respect to the performance by the Trustee of any right or obligation required to be performed by it contained herein.

Section 7.07. No Liability of the Trustee to the Owners. Except as expressly provided herein, the Trustee shall not have any obligation or liability to the Owners with respect to the payment when due of the Base Rental Payments by the District, or with respect to the performance by the Corporation or the District of the other agreements and covenants required to be performed by them, respectively, contained in the Lease Agreement, the Ground Lease or herein.

Section 7.08. Application of Amounts After Default. All payments received by the Trustee with respect to the rental of the Property after a default by the District pursuant to Article VI of the Lease Agreement (including, without limitation, any proceeds received in connection with the sale, assignment or sublease of the Corporation's right, title and interest in the Ground Lease), and all damages or other payments received by the Trustee for the enforcement of any rights and powers of the Trustee under Article VI of the Lease Agreement, shall be deposited into the Base Rental Payment Fund and as soon as practicable thereafter applied:

- (a) to the payment of all amounts due the Trustee under Section 8.07 hereof;

(b) to the payment of all amounts then due for interest evidenced by the Certificates, in respect of which, or for the benefit of which, money has been collected (other than Certificates which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of interest evidenced by such Certificates due and payable;

(c) to the payment of all amounts then due for principal evidenced by the Certificates, in respect of which, or for the benefit of which, money has been collected (other than Certificates which have become payable prior to such event of default and money for the payment of which is held by the Trustee), ratably without preference or priority of any kind, according to the amounts of principal evidenced by such Certificates due and payable; and

(d) to the extent not included in clause (b) or clause (c) above, to the payment of all amounts then due hereunder to the Insurer.

Section 7.09. Trustee May Enforce Claims Without Possession of Certificates. All rights of action and claims under this Trust Agreement or the Certificates may be prosecuted and enforced by the Trustee without the possession of any of the Certificates or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Owners of the Certificates in respect of which such judgment has been recovered.

Section 7.10. Limitation on Suits. No Owner of any Certificate shall have any right to institute any proceeding, judicial or otherwise, with respect to this Trust Agreement, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless (a) such Owner shall have previously given written notice to the Trustee of a continuing event of default, (b) so long as the Insurer is not in default in its payment obligations under the Insurance Policy, such Owner shall have obtained the Insurer's consent to such institution or appointment, (c) the Owners of not less than 25% of the aggregate amount of principal evidenced by Certificates then Outstanding shall have made written request to the Trustee to institute proceedings in respect of such event of default in its own name as Trustee hereunder, (d) such Owner or Owners shall have afforded to the Trustee indemnity reasonably satisfactory to the Trustee against the costs, expenses and liabilities to be incurred in compliance with such request, (e) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity shall have failed to institute any such proceedings, and (f) no direction inconsistent with such written request shall have been given to the Trustee during such 60 day period by the Owners of a majority of the aggregate amount of principal evidenced by Certificates then Outstanding; it being understood and intended that no one or more Owners of Certificates shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Trust Agreement to affect, disturb or prejudice the rights of any other Owner of Certificates, or to obtain or seek to obtain priority or preference over any other Owner or to enforce any right under this Trust Agreement, except in the manner herein provided and for the equal and ratable benefit of all the Owners of Certificates.

ARTICLE VIII

THE TRUSTEE

Section 8.01. Duties and Liabilities of Trustee. The Trustee shall, prior to an event of default, and after the curing or waiver of all events of default which may have occurred, perform such duties and only such duties as are expressly and specifically set forth in this Trust Agreement. The Trustee shall, during the existence of any event of default which has not been cured or waived, exercise such of the rights and powers vested in it by this Trust Agreement, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

Section 8.02. Qualifications; Removal and Resignation; Successors. (a) The Trustee initially a party hereto and any successor thereto shall at all times be a trust company, national banking association or bank having trust powers in good standing in or incorporated under the laws of the United States or any state thereof, having (or if such trust company, national banking association or bank is a member of a bank holding company system, its parent bank holding company shall have) a combined capital and surplus of at least \$250,000,000, and subject to supervision or examination by a federal or state agency. If such trust company, national banking association or bank publishes a report of condition at least annually, pursuant to law or to the requirements of any supervising or examining agency above referred to, then for the purpose of this subsection the combined capital and surplus of such trust company, national banking association or bank shall be deemed to be its combined capital and surplus as set forth in its most recent report of condition so published.

(b) The District may, by an instrument in writing, upon at least 30 days' notice to the Trustee, remove the Trustee initially a party hereto and any successor thereto unless an event of default shall have occurred and then be continuing, and shall remove the Trustee initially a party hereto and any successor thereto if at any time (i) requested to do so by the Insurer (as long as the Insurer is not in default in its payment obligations under the Insurance Policy) or by an instrument or concurrent instruments in writing signed by the Owners of not less than a majority of the aggregate amount of principal evidenced by the Certificates at the time Outstanding (or their attorneys duly authorized in writing), or (ii) the Trustee shall cease to be eligible in accordance with subsection (a) of this Section, or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or a receiver of the Trustee or its property shall be appointed, or any public officer shall take control or charge of the Trustee or of its property or affairs for the purpose of rehabilitation, conservation or liquidation, in each case by giving written notice of such removal to the Trustee.

(c) The Trustee may at any time resign by giving written notice of such resignation by first class mail, postage prepaid, to the District and the Insurer, and to the Owners at the respective addresses shown on the Registration Books. In case at any time the Trustee shall cease to be eligible in accordance with the provisions of subsection (a) of this Section, the Trustee shall resign immediately in the manner and with the effect specified in this Section.

(d) Upon removal or resignation of the Trustee, the District shall promptly appoint a successor Trustee by an instrument in writing, which appointment shall be subject to the prior

written approval of the Insurer. Any removal or resignation of the Trustee and appointment of a successor Trustee shall become effective upon acceptance of appointment by the successor Trustee; provided, however, that any successor Trustee shall be qualified as provided in subsection (a) of this Section. If no qualified successor Trustee shall have been appointed and have accepted appointment within 45 days following notice of removal or notice of resignation as aforesaid, the removed or resigning Trustee or any Owner (on behalf of such Owner and all other Owners) may petition any court of competent jurisdiction for the appointment of a successor Trustee, and such court may thereupon, after such notice, if any, as it may deem proper, appoint such successor Trustee. Any successor Trustee appointed under this Trust Agreement shall signify its acceptance of such appointment by executing and delivering to the District, the Corporation and its predecessor Trustee a written acceptance thereof, and thereupon such successor Trustee, without any further act, deed or conveyance, shall become vested with all the moneys, estates, properties, rights, powers, trusts, duties and obligations of such predecessor Trustee, with like effect as if originally named Trustee herein; but, nevertheless at the written request of the District, the Corporation or the successor Trustee, such predecessor Trustee shall execute and deliver any and all instruments of conveyance or further assurance and do such other things as may reasonably be required for more fully and certainly vesting in and confirming to such successor Trustee all the right, title and interest of such predecessor Trustee in and to any property held by it under this Trust Agreement and shall pay over, transfer, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions herein set forth. Upon acceptance of appointment by a successor Trustee as provided in this subsection, the successor Trustee shall, within 15 days after such acceptance, mail, by first class mail postage prepaid, a notice of the succession of such Trustee to the trusts hereunder to the Owners at the addresses shown on the Registration Books.

(e) Any trust company, national banking association or bank into which the Trustee may be merged or converted or with which it may be consolidated or any trust company, national banking association or bank resulting from any merger, conversion or consolidation to which it shall be a party or any trust company, national banking association or bank to which the Trustee may sell or transfer all or substantially all of its corporate trust business, provided such trust company, national banking association or bank shall be eligible under subsection (a) of this Section, shall be the successor to such Trustee, without the execution or filing of any paper or any further act, anything herein to the contrary notwithstanding.

Section 8.03. Liabilities of the Trustee. (a) The recitals of facts herein shall be taken as statements of the District, and the Trustee shall not assume responsibility for the correctness of the same. The Trustee shall, however, be responsible for its representations contained in the Certificates.

(b) The Trustee makes no representations as to the validity or sufficiency of this Trust Agreement, the Lease Agreement, or of the assignment made to it by the Assignment Agreement, or in respect of the security afforded by this Trust Agreement, and the Trustee shall incur no responsibility in respect thereof. The Trustee shall be under no responsibility or duty with respect to (i) the delivery of the Certificates for value, (ii) the application of the proceeds thereof except to the extent that such proceeds are received by it in its capacity as Trustee, or (iii) the application of any moneys paid to the District or others in accordance with this Trust Agreement, except as to the application of any moneys paid to it in its capacity as Trustee.

(c) The Trustee shall not be liable in connection with the performance of its duties hereunder, except for its own negligence or willful misconduct.

(d) No provision of this Trust Agreement or any other document related hereto shall require the Trustee to risk or advance its own funds.

(e) The Trustee may execute any of its powers or duties hereunder through attorneys, agents or receivers and shall not be answerable for the actions of such attorneys, agents or receivers if selected by it with reasonable care.

(f) The Trustee shall not be liable for any error of judgment made in good faith by a responsible officer, unless it shall be proved that the Trustee was negligent in ascertaining the pertinent facts.

(g) The immunities and protections extended to the Trustee also extend to its directors, officers, employees and agents.

(h) Before taking action under Article VII, under this Article or upon the direction of the Owners, the Trustee may require indemnity satisfactory to the Trustee be furnished to it to protect it against all fees and expenses, including those of its attorneys and advisors, and protect it against all liability it may incur.

(i) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of not less than a majority in aggregate amount of principal evidenced by the Certificates at the time Outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee under this Trust Agreement.

(j) The Trustee may become the Owner of Certificates with the same rights it would have if it were not Trustee and, to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners, whether or not such committee shall represent the Owners of a majority in aggregate amount of principal evidenced by the Certificates then Outstanding.

(k) The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Certificates.

(l) The Trustee shall not be liable for the failure to take any action required to be taken by it hereunder if and to the extent that the Trustee's taking such action is prevented by reason of an act of God, terrorism, war, riot, strike, fire, flood, earthquake, epidemic or other, similar occurrence that is beyond the control of the Trustee and could not have been avoided by exercising due care.

(m) The Trustee shall not be deemed to have knowledge of an event of default hereunder unless it has actual knowledge thereof.

(n) The permissive right of the Trustee to do things enumerated in this Trust Agreement shall not be construed as a duty and it shall not be answerable for other than its negligence or willful misconduct.

(o) The Trustee shall not be responsible for or accountable to anyone for the subsequent use or application of any moneys which shall be released or withdrawn in accordance with the provisions hereof.

Section 8.04. Right to Rely on Documents and Opinions. (a) The Trustee shall be protected in acting upon any notice, resolution, request, consent, order, certificate, report, opinion, bonds or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties.

(b) Whenever in the administration of the duties imposed upon it by this Trust Agreement, the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a Written Certificate of the District, and such Written Certificate of the District shall be full warrant to the Trustee for any action taken or suffered in good faith under the provisions of this Trust Agreement in reliance upon such Written Certificate of the District, but in its discretion the Trustee may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as it may deem reasonable.

(c) The Trustee may consult with counsel, who may be counsel to the District or the Corporation, with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Section 8.05. Accounting Records and Financial Statements. The Trustee shall at all times keep, or cause to be kept, proper books of record and account, prepared in accordance with prudent corporate trust industry standards, in which accurate entries shall be made of all transactions made by it relating to the proceeds of the Certificates, the Base Rental Payments received by it and all funds and accounts established by it pursuant to this Trust Agreement. Such books of record and account shall be available for inspection by the District, the Corporation and the Insurer during regular business hours and upon reasonable notice and under reasonable circumstances as agreed to by the Trustee. The Trustee shall deliver to the District a monthly accounting of the funds and accounts it holds under this Trust Agreement; provided, however, that the Trustee shall not be obligated to deliver an accounting for any fund or account that (a) has a balance of zero, and (b) has not had any activity since the last reporting date.

Section 8.06. Preservation and Inspection of Documents. All documents received by the Trustee under the provisions of this Trust Agreement shall be retained in its possession and shall be subject during business hours and upon reasonable notice to the inspection of the District, the Corporation, the Owners and their agents and representatives duly authorized in writing.

Section 8.07. Compensation and Indemnification. The District shall pay to the Trustee from time to time all reasonable compensation pursuant to a pre-approved fee letter for all services

rendered under this Trust Agreement, and also all reasonable expenses, charges, legal and consulting fees pursuant to a pre-approved fee letter and other disbursements pursuant to a pre-approved fee letter and those of its attorneys, agents and employees, incurred in and about the performance of their powers and duties under this Trust Agreement. The District shall, to the extent permitted by law, indemnify and save the Trustee harmless against any costs, claims, expenses (including fees and expenses of its counsel), and liabilities which it may incur in the exercise and performance of its powers and duties hereunder, including the enforcement of any remedies and the defense of any suit, and which are not due to its negligence or its willful misconduct. The duty of the District to indemnify the Trustee shall survive the resignation or removal of the Trustee and the termination and discharge of this Trust Agreement.

ARTICLE IX

Section 9.01. Amendment or Supplement. (a) This Trust Agreement and the rights and obligations of the District, the Corporation, if any, the Owners and the Trustee hereunder may be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding when the prior written consents of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy) and the Owners of a majority of the aggregate amount of principal evidenced by the Certificates then Outstanding, exclusive of Certificates disqualified as provided in Section 9.02 hereof, are filed with the Trustee. (b) This Trust Agreement and the rights and obligations of the District, the Corporation, if any, the Owners and the Trustee hereunder may also be amended or supplemented at any time by an amendment hereof or supplement hereto which shall become binding upon execution, with the prior written consent of the Insurer (so long as the Insurer is not in default in its payment obligations under the Insurance Policy), but without the written consents of any Owners and only for any one or more of the following purposes:

(i) to add to the agreements, conditions, covenants and terms required by the District to be observed or performed herein other agreements, conditions, covenants and terms thereafter to be observed or performed by the District, or to surrender any right or power reserved herein to or conferred herein on the District;

(ii) to make such provisions for the purpose of curing any ambiguity or of correcting, curing or supplementing any defective provision contained herein or in regard to questions arising hereunder which the District may deem desirable or necessary and not inconsistent herewith;

(iii) to make such additions, deletions or modifications as may be necessary or appropriate to assure the exclusion from gross income for federal income tax purposes of interest evidenced by the Certificates; or

(iv) for any other reason, provided such amendment or supplement does not adversely affect the rights or interests of the Owners; provided, however, that the District and the Trustee may rely in entering into any such amendment or supplement upon an Opinion of Counsel stating that the requirements of this paragraph have been met with respect to such amendment or supplement.

The Trustee is not obligated to enter into any amendment or supplement that adversely affects the rights or obligations of the Trustee.

The Insurer shall be provided with a full original transcript of all proceedings relating to the amendment of or supplement to this Trust Agreement pursuant to this Section.

Section 9.02. Disqualified Certificates. Certificates owned or held by or for the account of the District (but excluding Certificates held in any pension or retirement fund of the District) shall not be deemed Outstanding for the purpose of any consent or other action or any calculation of Outstanding Certificates provided in this Article, and shall not be entitled to consent to or take any other action provided in this Article, and the Trustee may adopt appropriate regulations to require each Owner, before its consent provided for herein shall be deemed effective, to reveal if the Certificates as to which such consent is given are disqualified as provided in this Section.

Section 9.03. Endorsement or Replacement of Certificates After Amendment or Supplement. After the effective date of any action taken as hereinabove provided in this Article, the Trustee may determine that the Certificates may bear a notation by endorsement in form approved by the Trustee as to such action, and in that case upon demand of the Owner of any Outstanding Certificate and presentation of such Certificate for such purpose at the Principal Office of the Trustee a suitable notation as to such action shall be made on such Certificate. If the Trustee shall receive an Opinion of Counsel advising that new Certificates modified to conform to such action are necessary, modified Certificates shall be prepared, and in that case upon demand of the Owner of any Outstanding Certificates such new Certificates shall be exchanged at the Principal Office of the Trustee without cost to each Owner for Certificates then Outstanding upon surrender of such Outstanding Certificates.

Section 9.04. Amendment by Mutual Consent. ARTICLE XI

INSURANCE POLICY AND RESERVE POLICY PROVISIONS

Section 11.01. Insurer To Be Deemed Owner; Rights of the Insurer; Payments by the Insurer; Notices. The provisions of this Article XI shall apply notwithstanding any other provision of this Trust Agreement to the contrary so long as the Insurer is not in default in its payment obligations under the Insurance Policy.

(a) The Insurer shall at all times be deemed the sole and exclusive Owner of the Outstanding Certificates for the purposes of all approvals, consents, waivers, institution of any action, and the direction of all remedies, including but not limited to approval of or consent to any amendment of or supplement to this Trust Agreement which requires the consent or approval of the Owners of a majority of the aggregate principal evidenced by the Certificates then Outstanding pursuant to this Trust Agreement; provided, however, that the Insurer shall not be deemed to be the sole and exclusive Owner of the Outstanding Certificates with respect to any amendment or supplement to this Trust Agreement which seeks to amend or supplement this Trust Agreement for the purposes set forth in clauses (i), (ii) or (iv) of subsection (a) of Section 9.01 hereof, and provided further that the Insurer shall not be deemed the sole and exclusive Owner of the Outstanding Certificates with respect to any amendment or supplement to this Trust Agreement, and shall not have the right to direct or consent to District, Corporation, Trustee or Owner action as provided herein, if:

(i) the Insurer shall be in payment default under the Insurance Policy and such failure shall continue for three Business Days;

(ii) any material provision of the Insurance Policy shall be held to be invalid by a final, non-appealable order of a court of competent jurisdiction, or the validity or enforceability thereof shall be contested in writing by the Insurer; or

(iii) a proceeding shall have been instituted in a court having jurisdiction in the premises seeking an order for relief, rehabilitation, reorganization, conservation, liquidation or dissolution in respect of the Insurer under Article 16 of the Insurance Law of the State of New York or any successor provision thereto and such proceeding is not terminated for a period of 90 consecutive days or such court enters an order granting the relief sought in such proceeding.

(b) To the extent that the Insurer makes payment of any interest or principal evidenced by a Certificate, it shall become the Owner of such portion of such Certificate and the right to receive payment of such interest or principal and shall be fully subrogated to all of the Owner's rights thereunder in accordance with the terms of the Insurance Policy to the extent of such payment, including the Owner's rights to payment thereof (which subrogation rights shall include the rights of any such Owner in connection with any Insolvency Proceeding). To evidence such subrogation (i) in the case of subrogation as to claims for past due interest, the Trustee shall note the Insurer's rights as subrogee on the Registration Books upon receipt of proof from the Insurer as to payment of such interest to the Owner of the Certificate evidencing such interest, and (ii) in the case of subrogation as to claims for past due principal, the Trustee shall note the Insurer's rights

as subrogee on the Registration Books upon surrender of the Certificate evidencing such principal by the Owner thereof to the Trustee.

(c) In the event that the interest or principal evidenced by a Certificate shall be paid by the Insurer pursuant to the terms of the Insurance Policy, (i) such Certificate shall continue to be Outstanding under this Trust Agreement, (ii) the pledge of the amounts on deposit in the funds and accounts established hereunder and all covenants, agreements and other obligations of the District hereunder and under the Lease Agreement shall continue to exist, (iii) the Insurer shall be fully subrogated to all of the rights of such Owner in accordance with the terms and conditions of subsection (b) of this Section and the Insurance Policy, and (iv) neither this Trust Agreement nor the Lease Agreement shall be discharged unless and until all amounts due to the Insurer have been paid in full.

(d) If an event of default (within the meaning of Article VI of the Lease Agreement) shall have occurred and be continuing, the Insurer may, regardless of whether a claim has been made under the Insurance Policy, at any time and at its sole option, pay to the Owners all or any portion of the interest or principal evidenced by the Certificates (at a price equal to 100% of the principal evidenced by the Certificates so purchased) prior to the stated Principal Payment Dates thereof; provided, however, that such payment by the Insurer shall not accelerate the District's obligation to make Rental Payments under the Lease Agreement. The Trustee shall accept such payments on behalf of the Owners and the Insurer's obligations under the Insurance Policy shall be discharged to the extent of such payments.

(e) The Insurer shall be notified (i) by the District at least 30 days (or such lesser time as agreed by the Insurer) in advance of the execution of any amendment of or supplement to this Trust Agreement and of any amendment to the Lease Agreement or the Ground Lease in the event consent of the Owners is not required for such amendment or supplement, (ii) by the Trustee within five Insurance Business Days of the Trustee's having knowledge of the occurrence of any event of default (within the meaning of Article VI of the Lease Agreement), and (iii) by the Trustee of any prepayment of Certificates (including the principal evidenced by, and the CUSIP numbers of, such Certificates to be prepaid) at the same time that the Owners of the Certificates to be prepaid are notified. In addition, all notices, reports, certificates and opinions (i) to be delivered to or by the Trustee or to the Owners or available at the request of the Owners pursuant to this Trust Agreement, or (ii) to be delivered by the District pursuant to the Lease Agreement or the Assignment Agreement shall also be delivered to the Insurer.

(f) The Trustee shall also notify the Insurer (i) immediately, upon the withdrawal of amounts on deposit in the Reserve Fund, other than amounts comprising investment earnings thereon which may be withdrawn in accordance with the terms of this Trust Agreement, upon a claim being made under any Reserve Facility or upon the determination that a deficiency in the Reserve Fund exists as a result of fluctuations in the market value of investments held therein, and (ii) immediately upon the resignation or removal of the Trustee or the appointment of a successor Trustee.

(g) No contract shall be entered into or any action taken by which the rights of the Insurer or security for or sources of payment of the Certificates may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(h) Subject to and conditioned upon payment of any interest or principal evidenced by the Certificates by or on behalf of the Insurer, each Owner, by its purchase of Certificates, hereby assigns to the Insurer, but only to the extent of all payments made by the Insurer, all rights to the payment of interest or principal evidenced by the Certificates, including, without limitation, any amounts due to the Owners in respect of securities law violations arising from the offer and sale of the Certificates, which are then due for payment. The Insurer may exercise any option, vote, right, power or the like with respect to Certificates to the extent it has made a payment of principal evidenced by Certificates pursuant to the Insurance Policy. The foregoing assignment is in addition to, and not in limitation of, rights of subrogation otherwise available to the Insurer in respect of such payments. The Trustee shall take such action and deliver such instruments as may be reasonably requested or required by the Insurer to effectuate the purpose or provisions of this subsection.

(i) The Insurer shall have the right to advance any payment required to be made by the District in order to prevent an event of default under this Trust Agreement and the Trustee shall be required to accept such advance. The District shall, upon demand, reimburse the Insurer for any such advance.

(j) The rights granted under this Trust Agreement, the Lease Agreement or the Ground Lease to the Insurer to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit of or on behalf of the Owners, nor does such action evidence any position of the Insurer, positive or negative, as to whether Owner consent is required in addition to consent of the Insurer.

(k) The District hereby agrees, to the extent permitted by law, to pay or reimburse the Insurer any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in this Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, (ii) the pursuit of any remedies under this Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, this Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement whether or not executed or completed, or (iv) any litigation or other dispute in connection with this Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement, or the transactions contemplated hereby or thereby, other than costs resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this Trust Agreement, the Lease Agreement, the Ground Lease or the Assignment Agreement.

(l) The Insurer shall be entitled to pay principal or interest evidenced by the Certificates that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the District (as such terms are defined in the Insurance Policy) thereof in accordance with this Trust Agreement, whether or not the Insurer has received a Notice (as defined in the Insurance Policy) of Nonpayment or a claim upon the Insurance Policy.

(m) The Trustee shall promptly notify the Insurer of either of the following as to which it has actual knowledge: (i) the commencement of any proceeding by or against the District or the Corporation commenced under the United States Bankruptcy Code or any successor statute or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”), and (ii) the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer (a “Preference Claim”) of any payment of interest or principal evidenced by the Certificates. Each Owner, by its purchase of Certificates, and the Trustee hereby agrees that the Insurer may at any time during the continuation of an Insolvency Proceeding direct all matters relating to such Insolvency Proceeding, including, without limitation, (i) all matters relating to any Insolvency Proceeding or Preference Claim, (ii) the direction of any appeal of any order relating to any Insolvency Proceeding or Preference Claim, (iii) the posting of any surety, supersedes or performance bond pending any such appeal, and (iv) to accept or reject any plan of adjustment. In addition, the Trustee (solely with respect to the Certificates) and each Owner delegate and assign to the Insurer, to the fullest extent permitted by law, the rights of the Trustee and each Owner in the conduct of any Insolvency Proceeding, including, without limitation, any rights of any party to an adversary proceeding action with respect to any court order issued in connection with any such Insolvency Proceedings.

(n) In determining whether any amendment, consent, waiver or other action to be taken, or any failure to take action, under this Trust Agreement would adversely affect the security for the Certificates or the rights of the Owners, the Trustee shall consider the effect of any such amendment, consent, waiver, action or inaction as if there were no Insurance Policy.

(o) Any reorganization or liquidation plan with respect to the District must be acceptable to the Insurer. In the event of any such reorganization or liquidation, the Insurer shall have the right to vote on behalf of all Owners (so long as the Insurer is not in default in its payment obligations under the Insurance Policy).

(p) The District will permit the Insurer to discuss the affairs, finances and accounts of the District or any information the Insurer may reasonably request regarding the security for the Certificates with appropriate officers of the District and will use commercially reasonable efforts to enable the Insurer to have access to the facilities, books and records of the District on any Business Day upon reasonable prior notice.

(q) The obligations set forth in subsections (k) and (m) of this Section shall survive discharge or termination of this Trust Agreement and the Lease Agreement.

Section 11.02. Deposits to Policy Payments Account; Payments Under the Insurance Policy. (a) So long as the Insurance Policy shall be in full force and effect, the District and the Trustee hereby agree to comply with the provisions of this Section.

(b) If, on the third Insurance Business Day prior to a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date there is not on deposit with the Trustee, after making all transfers and deposits required under the Trust Agreement, moneys sufficient to pay the interest or principal evidenced by the Certificates due on such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, the Trustee shall give notice to the Insurer and to the Insurer’s Fiscal Agent (if any) by telephone or telecopy

of the amount of such deficiency by 12:00 noon, New York City time, on such Insurance Business Day. If, on the second Insurance Business Day prior to such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, there continues to be a deficiency in the amount available to pay the interest or principal evidenced by the Certificates due on such Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay the interest evidenced by the Certificates and the amount required to pay principal evidenced by the Certificates, confirmed in writing to the Insurer and the Insurer's Fiscal Agent (if any) by 12:00 noon, New York City time, on such second Insurance Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

(c) The Trustee shall designate any portion of principal evidenced by Certificates paid by the Insurer, whether by virtue of Mandatory Sinking Account Payment, the stated Principal Payment Date or the Insurer's election to pay said amounts prior to the stated Principal Payment Date pursuant to subsection (e) of Section 11.01 hereof, on its books as a reduction in the principal evidenced by Certificates registered to the then current Owners, whether DTC or its nominee or otherwise, and shall issue a replacement Certificate to the Insurer, registered in the name of Assured Guaranty Municipal Corp., evidencing principal in an amount equal to the principal so paid (without regard to Authorized Denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Certificate shall have no effect on the amount of principal or interest evidenced by any Certificate payable by the District or the subrogation rights of the Insurer.

(d) The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of the interest and principal evidenced by any Certificate. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy, the Trustee shall establish a separate special purpose trust account for the benefit of Owners known as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Owners and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Owners in the same manner as payments of interest and principal evidenced by the Certificates are to be made with respect to the Certificates under the provisions hereof. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to make payments of interest and principal with other funds available to make such payments.

If, as a result of the District's non-payment, when due, of all or a portion of a Base Rental Payment (other than a non-payment caused by an abatement of Rental Payments pursuant to Section 3.06 of the Lease Agreement), the Insurer has paid interest or principal evidenced by the Certificates pursuant to the Insurance Policy, (i) the first of Base Rental Payments thereafter received from the District under the Lease Agreement that are not required to be paid to the

Reserve Insurer pursuant to subsection (f) of Section 5.05 hereof, and (ii) the interest payable with respect to such delinquent Base Rental Payments, calculated at the Insurer Rate as provided in Section 3.04 of the Lease Agreement, shall be paid to the Insurer, as the Owner of the Certificates (or portions thereof) evidencing such delinquent Base Rental Payment in repayment of such payment by the Insurer until such payment is paid in full. If, as a result of the District's non-payment of all or a portion of a Base Rental Payment (which non-payment is caused by an abatement of Rental Payments pursuant to Section 3.06 of the Lease Agreement), the Insurer has paid interest or principal evidenced by the Certificates pursuant to the Insurance Policy, the Insurer, as the Owner of the Certificates (or portions thereof) representing such abated Base Rental Payment, shall be entitled to receive, during the extension of the term of the Lease Agreement provided for in Section 2.02 of the Lease Agreement, any amounts paid in respect of such abated and unpaid Base Rental Payment pursuant to subsection (c) of Section 3.01 and Section 3.04 of the Lease Agreement that are not required to be paid to the Reserve Insurer pursuant to subsection (f) of Section 5.05 hereof. Any such payment by the District pursuant to this Section shall be applied first to the interest component of such delinquent Base Rental Payment due the Insurer and second to the principal components of such delinquent Base Rental Payment due the Insurer.

(e) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date shall promptly be remitted to the Insurer.

Section 11.03. Reporting Requirements. (a) The District shall provide to the Insurer (i) within 180 days after the end of each fiscal year of the District, a Written Certificate of the District certifying that the District is not aware of any event of default or of any default hereunder or under the Lease Agreement, (ii) within 180 days after the end of each fiscal year of the District, audited financial statements for such fiscal year, (iii) within 30 days after the approval thereof, each annual budget of the District, and, (iv) from time to time, such other information, data or reports as the Insurer may reasonably request.

(b) The Trustee shall provide the Insurer with notice of any default hereunder or under the Lease Agreement within five Business Days of obtaining knowledge thereof. The District shall provide the Insurer with notice of any default hereunder or under the Lease Agreement within five Business Days of obtaining knowledge thereof.

(c) The District shall provide the Insurer with prior notice of the advance refunding or prepayment of any of the Certificates, including the principal amount, maturities and CUSIP numbers thereof.

(d) The District shall provide the Insurer with notice of the resignation or removal of the Trustee or the Depository, and the appointment of, and acceptance of duties by, any successor thereto.

(e) Each of the District and the Trustee agrees that it will, if it has actual knowledge thereof, promptly notify the Insurer of (i) the commencement of any Insolvency Proceeding by or against the District, and (ii) the making of any claim in connection with any Insolvency Proceeding

seeking the avoidance as a preferential transfer of any payment of principal or interest evidenced by the Certificate.

(f) The Trustee shall, at the time any report, notice or correspondence is delivered to Owners of the Certificates pursuant to the provisions hereof, deliver a copy of such report, notice or correspondence to the Insurer.

(g) The District shall provide the Insurer with all information furnished pursuant to the Continuing Disclosure Agreement simultaneously with the furnishing of such information.

(h) The Trustee shall notify the Insurer of any failure of the District to provide notices, certificates and other information under this Trust Agreement or the Lease Agreement.

Section 11.04. Reserve Policy Provisions. As long as the Reserve Policy shall be in full force and effect, the Trustee agrees to comply with the following provisions:

(a) If, on the fifth Insurance Business Day prior to a Principal Payment Date, Mandatory Sinking Account Payment Date or Interest Payment Date moneys on deposit in the Base Rental Payment Fund, the Interest Fund and/or the Principal Fund, as applicable, plus all amounts on deposit in and credited to the Reserve Fund in excess of the amount of the Reserve Policy, are insufficient to pay the amount of principal and interest coming due, the Trustee shall give notice to the Reserve Insurer by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day.

(b) The District hereby agrees, to the extent permitted by law, to pay or reimburse the Reserve Insurer any and all charges, fees, costs and expenses which the Reserve Insurer may reasonably pay or incur, including, but not limited to, fees and expenses of attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with any actions taken to facilitate payments under the Reserve Policy or the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of this Trust Agreement or the Lease Agreement. For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation with the actions described in the preceding sentence. The District agrees that failure to pay such costs and expenses on a timely basis will result in the accrual of interest on the unpaid amount at the Insurer Rate, compounded semi-annually, from the date that payment is first due to the Reserve Insurer until the date the Reserve Insurer is paid in full. The obligations set forth in this subsection shall survive discharge or termination of this Trust Agreement and the Lease Agreement.
