**WHEREAS**, the Standardized Emergency Management System known as SEMS is the system required by Government Code 8607(a) for managing response to multi-agency and multi-jurisdiction emergencies by all State and Federal agencies in California; and

**WHEREAS**, the State Emergency Services Act designates each county as an "Operational Area" and an "intermediate level of the State Office of Emergency Services Organization" for coordinating SEMS and requested aid; and

**WHEREAS**, local governments and special districts are encouraged to adopt SEMS as official policy to facilitate its use by making it an eligibility requirement for State Reimbursement of disaster-related costs; and

**WHEREAS**, the special district known as San Jacinto Unified School District and the local government of City of San Jacinto have adopted and use the SEMS system, resulting in increased cooperation and efficiency among all emergency management organizations in Riverside County and making them eligible for State reimbursement of disaster-related costs; and

**WHEREAS**, local governments and special districts may encounter emergency situations, necessitating action to arrange for temporary shelter or services, prior to a declaration of a state of local emergency.

**NOW, THEREFORE, BE IT RESOLVED** that the San Jacinto Unified School District agrees to enter into a Mutual Aid Agreement with the City of San Jacinto, to facilitate the requesting and providing of required amenities, such as facilities or services, to be used during an emergency event.

**PASSED AND ADOPTED** by the Board of Trustees of the San Jacinto Unified School District at its regular meeting held May 14, 2019.
