SUMMER SCHOOL

BP 6177 (a)

The Board of Trustees recognizes that an extended break from the instructional program may result in significant learning loss, especially among disadvantaged and low-achieving students, and desires to provide opportunities during the summer for students to practice essential skills and make academic progress.

Summer programs offered by the district shall be aligned with the district's local control and accountability plan (LCAP), other applicable district and school plans, and the educational program provided during the school year. When feasible, summer programs shall blend high-quality academic instruction in core curricular and/or elective subjects with recreation, nutrition programs, social and emotional development, and support services that encourage attendance, student engagement in learning, and student wellness.

(cf. 0460 - Local Control and Accountability Plan)
(cf. 3552 - Summer Meal Program)
(cf. 5030 - Student Wellness)

Summer School

The Superintendent or designee, with Board approval, may establish summer school day and/or evening classes.

(cf. 5148.2 - Before/After School Program)
(cf. 6171 - Title I Programs)
(cf. 6175 - Migrant Education Program)

The district's summer school program may be used to provide supplemental instruction to students needing remediation and/or enrichment in core academic subjects.

(cf. 6176 - Weekend/Saturday Classes)
(cf. 6179 - Supplemental Instruction)

As appropriate, priority for enrollment in summer school programs shall be given to district students who:

1. Need course credits in order to graduate from high school before the beginning of the next school year

(cf. 5147 - Dropout Prevention)

(cf. 6146.1 - High School Graduation Requirements)

2. Have been retained or are at risk of being retained at their grade level

(cf. 5123 - Promotion/Acceleration/Retention)

3. Demonstrate academic deficiencies in core curriculum areas

(cf. 0460 - Local Control and Accountability Plan)

The remaining openings shall be offered to district students on a first-come first-served basis.

Attendance

Because summer courses cover extensive instructional content in a relatively short time period, students who have more than three excused absences or one unexcused absence may not receive credit for their summer session class(es) unless they make-up missed work in accordance with law, Board policy, and administrative regulation.

(cf. 5113 - Absences and Excuses)

(cf. 6154 - Homework/Make-Up Work)

Sites for summer school programs may be rotated in an effort to make summer school programs more accessible to all students, regardless of residence or regular attendance area, and to equalize long-term facility and maintenance needs of district schools.
