Beginning Teacher Support/Induction

BP 4131.1

Personnel

The Board of Trustees recognizes that intensive professional development and support will help beginning teachers apply their academic preparation more effectively in the classroom and result in greater district retention of capable beginning teachers. The Superintendent or designee shall ensure that first- and second-year credentialed teachers receive guidance to help them make an effective transition into the teaching profession.

(cf. 4131 - Staff Development)

The Superintendent or designee shall inform beginning teachers about induction programs that are available to help them fulfill the requirements of the professional clear multiple- or single-subject teaching credential pursuant to Education Code 44259.

(cf. 4112.2 - Certification)

(cf. 4112.21 - Interns)

(cf. 4112.24 - Teacher Qualifications Under the No Child Left Behind Act)

District-Sponsored BTSA Induction Program

When approved by the Commission on Teacher Credentialing (CTC) and the Superintendent of Public Instruction, the district may serve as a sponsor of an induction program. The program shall meet state standards for induction programs and shall support beginning teachers in meeting the competencies described in the California Standards for the Teaching Profession.

The Superintendent or designee, with input from the participating teacher, shall pair each participating teacher with a support provider who is an experienced teacher, knowledgeable about beginning teacher development and needed competencies, and effective in interpersonal and communication skills. The roles and responsibilities of support providers shall be clearly defined in writing and communicated to all program participants.

(cf. 4138 - Mentor Teachers)

The Superintendent or designee shall provide initial preparation and additional professional development for support providers to enable them to acquire and enhance their knowledge and skills needed to work with beginning teachers.

Professional development provided to a beginning teacher shall be based on an individual induction plan which takes into consideration the teacher's prior preparation and experience.

Subject to verification and approval of the Superintendent or designee, a beginning teacher shall not be required to demonstrate that a competency has been met, nor complete a program element designed to assist beginning teachers in meeting that competency, if he/she previously met the competency while participating in a CTC-approved teacher preparation program. (Education Code 44279.1)

The beginning teacher's knowledge and classroom practice shall be regularly assessed using multiple measures and the results shall be used to monitor and revise subsequent individual induction plans. The Superintendent or designee shall maintain a complete record of each participating teacher's participation and progress toward completion of professional credential requirements.

Performance assessments conducted as part of the induction program shall not be used for employment-related evaluations, as a condition of employment, or as a basis of terminating employment. (Education Code 44279.1)

(cf. 4115 - Evaluation/Supervision)
(cf. 4117.4 - Dismissal)

The Superintendent or designee shall conduct an annual evaluation of the induction program and shall report to the Board regarding its effectiveness in meeting induction program goals.

(cf. 0500 - Accountability)
