LIBRARY MEDIA CENTERS

BP 6163.1 (a)

The Board of Trustees recognizes that school library media centers support the educational program by providing access to a variety of informational and supplemental resources that can help raise the academic achievement of all students. The Board desires that school libraries be stocked with up-to-date books, reference materials, and electronic resources that promote literacy, support academic standards, and prepare students to become lifelong learners.

(cf. 0440 - District Technology Plan)
(cf. 1330.1 - Joint Use Agreements)
(cf. 6011 - Academic Standards)
(cf. 6163.4 - Student Use of Technology)
(cf. 7110 - Facilities Master Plan)

The Superintendent or designee may assign certificated librarians to perform the following duties in accordance with the authorizations of their credential: (5 CCR 80053, 80053.1)

1. Instruct students in accessing, evaluating, using, and integrating information and resources in the library program and/or provide departmentalized instruction in information literacy, digital literacy, and digital citizenship
2. Plan and coordinate school library programs with the district's instructional programs through collaboration with teachers
3. Select materials for school and district libraries
4. Develop and deliver staff development programs for school library services
5. Coordinate or supervise library programs at the school or district level
6. Plan and conduct a course of instruction for students who assist in the operation of school libraries
7. Supervise classified personnel assigned school library duties
8. Develop procedures for and management of the school and district libraries

The Board also may appoint classified paraprofessionals to serve as library aides or library technicians. Volunteers may assist with school library services in accordance with law, Board policy, and administrative regulation.

(cf. 1240 - Volunteer Assistance)
(cf. 4222 - Teachers Aides/Paraprofessionals)

Hours of Operation

School libraries shall be open for use by students and teachers during the school day. (Education Code 18103)

Selection and Evaluation of School Library Materials

Library materials shall include print and electronic resources that align with the curriculum and are accessible to students with varying cognitive or language needs.

Library materials shall be evaluated and selected through a process that invites recommendations from administrators, teachers, other staff, parents/guardians, and students as appropriate.

(cf. 6144 - Controversial Issues)

(cf. 6161.1 - Selection and Evaluation of Instructional Materials)

(cf. 6161.11 - Supplementary Instructional Materials)

Library materials shall be continually evaluated in relation to evolving curricula, new formats of materials, new instructional methods, and the needs of students and teachers. Materials that contain obsolete subject matter or are no longer appropriate shall be removed.

(cf. 3270 - Sale and Disposal of Books, Equipment and Supplies)

All gifts and donations of school library materials shall be subject to the same criteria as materials selected for purchase by the district.

(cf. 1260 - Educational Foundation)

(cf. 3290 - Gifts, Grants and Bequests)

Complaints regarding the appropriateness of library materials shall be addressed using the district's procedures for complaints regarding instructional materials.

(cf. 1312.2 - Complaints Concerning Instructional Materials)

Fees

Students shall be allowed to borrow school library materials at no charge for use in the library and classrooms as well as out of school. (5 CCR 16042)

(cf. 3260 - Fees and Charges)

To encourage students to return materials in a timely manner, a nominal fee may be charged for the late return of materials.

Library Instruction

Certificated librarians and/or classroom teachers may provide library instruction to develop students' information literacy skills. Such instruction shall be aligned with state academic standards for library instruction and shall prepare students to:

1. Access information by applying knowledge of the organization of libraries, print materials, digital media, and other sources
2. Evaluate and analyze information to determine appropriateness in addressing the scope of inquiry
3. Organize, synthesize, create, and communicate information
4. Integrate information literacy skills into all areas of learning and pursue information independently to become life-long learners

Certificated librarians also may provide support to teachers, administrators, and other staff by identifying instructional materials that will aid in the development of curriculum and instructional activities and by providing information about effective and ethical uses of school library services and equipment.

(cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

(cf. 6141 - Curriculum Development and Evaluation)

Program Evaluation

The Superintendent or designee shall annually assess and report to the Board regarding the condition and use of school libraries. The assessment shall evaluate, at a minimum:

1. Access of students and staff to school libraries during school hours and, as appropriate, access outside the school day
2. The process and frequency by which students are allowed to check out library materials
3. Staffing levels, qualifications, and number of hours worked
4. The quality of the collection at each library, including, but not limited to, the total number of books in the collection, number of books per student, amount expended during the year for the purchase of new resources, and the number of resources discarded and added during the year
